8:30am	Help us clean up the museum & pack up all of your gear.
9:00am	Departure. We hope to see you again soon!

FAQs

Who can participate?

Overnights are designed for children in grades 1 – 6 and their adult chaperones. Organized groups such as Girl Scouts and Boy Scouts can register for an overnight for their troop or den. Other youth organizations can participate if they meet the guidelines for age, minimum numbers for capacity and can provide an insurance certificate.

How much does an overnight cost and what does it include?

The fee to attend an overnight is \$30 per child and \$20 per adult. This fee includes an evening snack, a wide array of breakfast items, all activity materials, access to all museum exhibits and a free admission pass for each participant.

What kind of food do you serve for snack and breakfast?

Snack consists of mix-your-own snack mix using cereal, pretzels, raisins, chocolate chips and crackers, as well as juice, water and a coffee/tea station for adults. Breakfast items include muffins, mini-bagels, cream cheese, yogurt, fresh fruit, granola bars, juice, milk and coffee/tea for adults. We make all efforts to stay away from serving food products containing peanuts and tree nuts.

What are the hours of an overnight?

Each overnight program officially starts at 7 pm. Groups can arrive as early as 6:15 pm if they plan to bring in bag meals or pizza to eat in the museum classroom prior to the start time. (This must be arranged in advance). All groups should plan to arrive by 6:45 pm. Departure is by 9 am the following morning.

CUB AND WEBELO SCOUT PROGRAMS

Evenings & Sleepovers Especially for Scouts & Organized Groups

- Bunk down for the night amongst the museum's many exhibits
- Participate in engaging, interactive workshops
- Safe, affordable and hassle-free
- An exclusive experience, with a limited number of attendees
- Educational and fun for all!

6 Washington Street
Dover, NH 03820

Daytime Workshops

All workshops are 2 1/2 hours and include time to explore the Museum's exhibits. Minimum of 12 boys, maximum of 30 per program. Cost: \$12 per child, \$7 per adult.

Cubs - Up All Night!

We will explore native nocturnal animals, their physical adaptations, homes, and behaviors that make them suited for "night life." We'll study natural specimens, experiment with night vision, hearing and smell and dissect owl pellets in this hands-on animal adventure.

Cubs - The Wonders of Water

Join us as we explore the wet and wild world of water! We will experiment with water tension, buoyancy, cleaning up polluted water, and the importance of conserving water using the Museum's own green practices as an example.

Webelos - STEM Design, Build & Test

Join us for this journey of science exploration, creativity and fun as you design, build and test your own stomp rockets, weight-bearing towers and egg drop creations!

Camping on the Cochecho

Spend the night at the Children's Museum of New Hampshire!

Overnights can be scheduled on Friday and Saturday

evenings year-round and include all activities, an evening snack, breakfast and a Museum guest pass at a cost of

\$30 per Scout, \$20 per adult chaperone. Minimum of 60

participants per overnight, maximum of 100 per event. (We

are happy to work with smaller Dens to match you with other

Dens to meet the minimum number.)

When scheduling an overnight, Packs get to choose three workshops from the list below:

- Construct & launch stomp rockets
- Design & test egg drop creations
- Build & test your own weight-bearing towers
- Create & test foam flyers
