WHAT’S IT ALL ABOUT?
The NH Maker & Food Fest (formerly the Dover Mini Maker Faire) is a gathering of fascinating, curious people who enjoy learning and sharing what they can do. From engineers to artists, scientists to chefs, the Maker & Food Fest is a venue for “makers” to show off hobbies, experiments, projects, and for all of us to enjoy fantastic food! We call it the Greatest Show & Tell (& Taste) on Earth - a family friendly showcase of invention, creativity, and imagination.

WHAT MAKES IT UNIQUE?
The NH Maker & Food Fest brings an average of 1600 people, including 65+ Makers, from all over New England to downtown Dover. The NH Maker & Food Fest shines the light on the great and innovative work happening in New Hampshire, the Children’s Museum, and beyond, creating connections between community organizations, businesses, and educational institutions.
